

Multiple Pump Stations - Burbank Dr - Siegen Ln

City-Parish #10-PS-MS-0026

Project Start: **2nd Quarter 2011**
 Advertise for Bids: **2nd Quarter 2014**
 Anticipated Project End: **4th Quarter 2015**

The project includes replacement of six pump stations. The new pump stations will work in conjunction with force main upgrades in other South Forced Lower Basin projects to alleviate chronic SSOs at and near these pump stations.

Flow measurements are taken throughout the collection system to determine the correct pump station upgrade size.

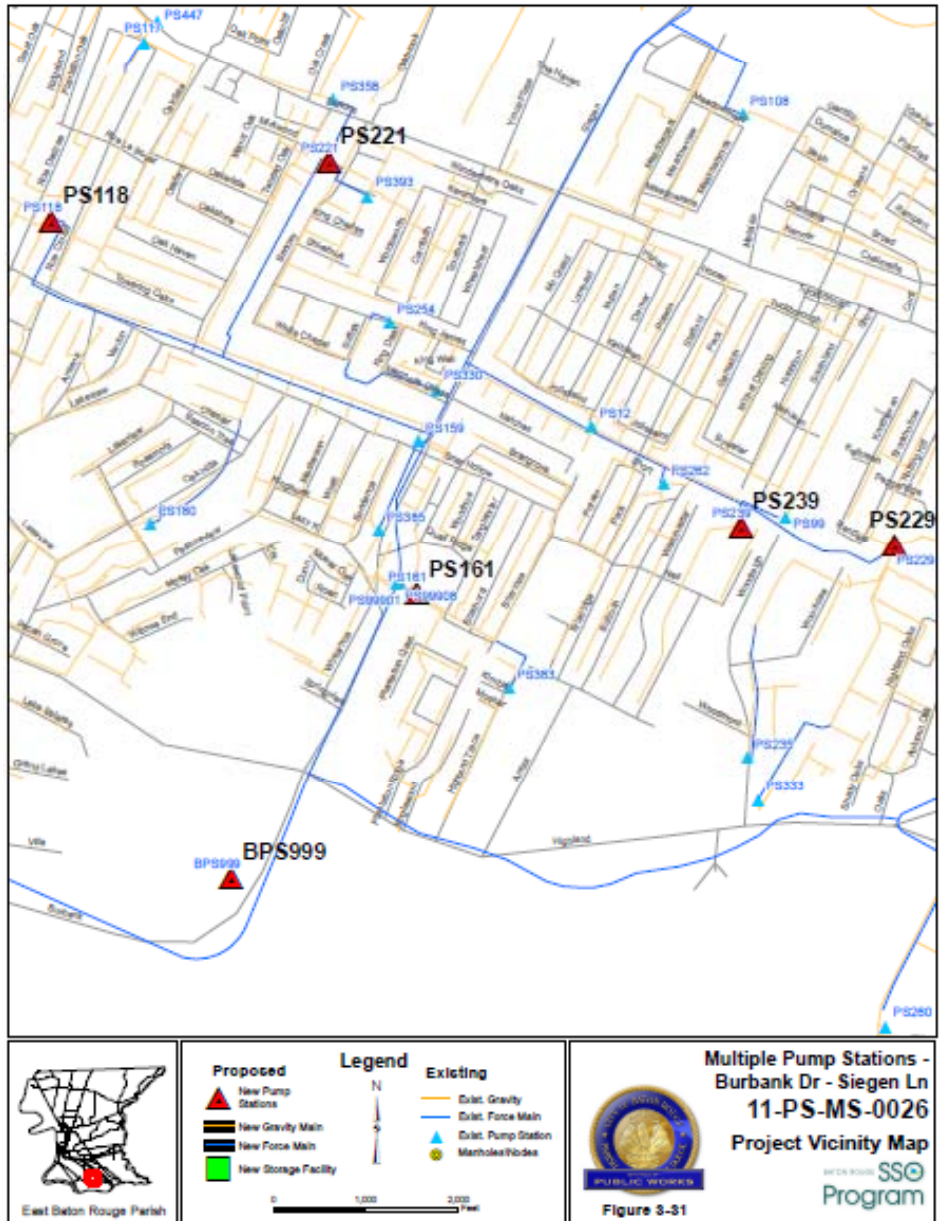

Sample PS

Six pump will be upgraded in the project area.

Sample PS

Six pump stations will be upgraded in the project area.
