

Multiple Pump Stations - Prescott Rd - Greenwell Springs Rd

City-Parish #11-PS-MS-0034

Project Start: **3rd Quarter 2011**
 Advertise for Bids: **4th Quarter 2015**
 Anticipated Project End: **2nd Quarter 2017**

This project includes the upgrade of five pump stations. These upgrades are required to alleviate SSOs at and near the pump stations as well as in their respective upstream basins.

Flow measurements are taken throughout the collection system to determine the correct pump station upgrade size.

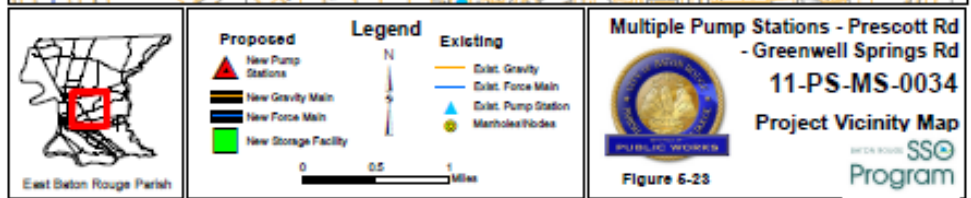

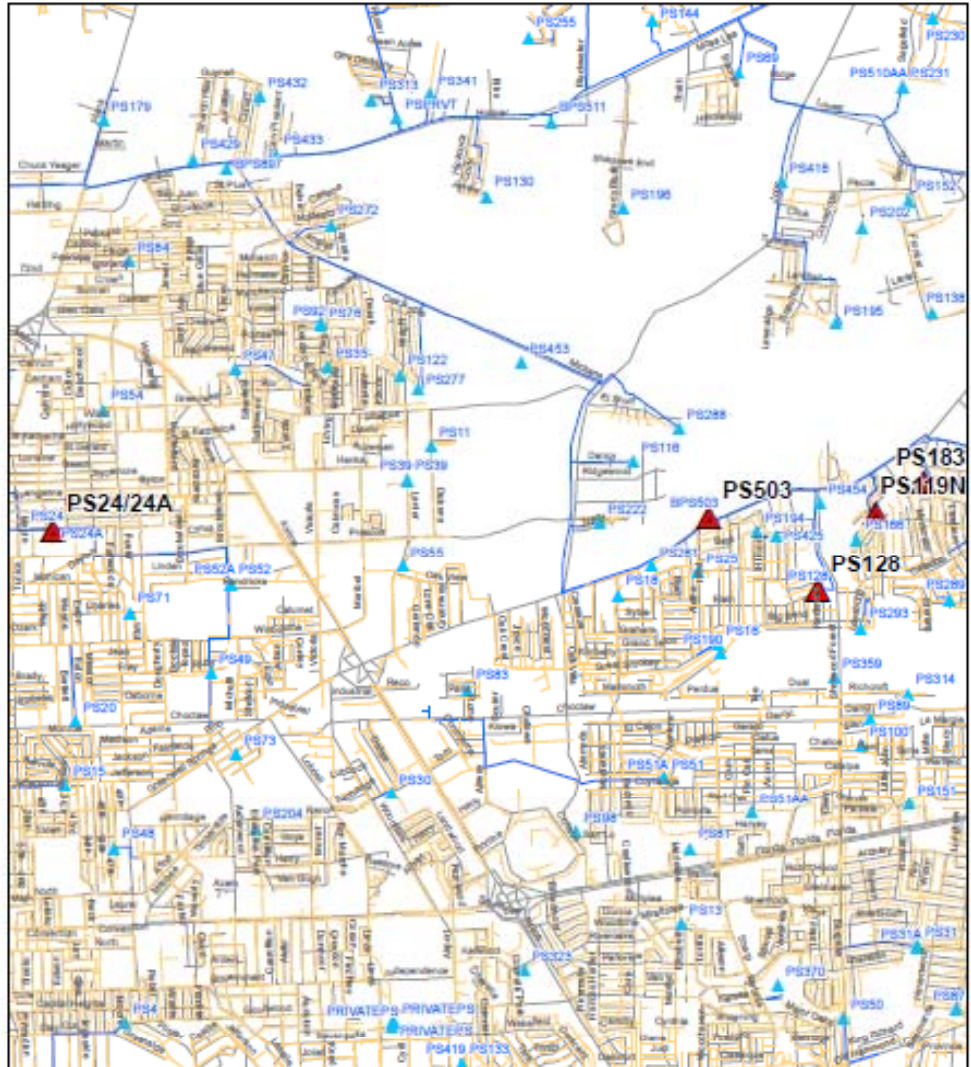

Sample PS

Five pump stations will be upgraded in the project area.

Sample PS

Five pump stations will be upgraded in the project area.
