

# Bayou Duplantier Sewer Area Upgrades

City-Parish #09-GS-MS-0042

Advertisement for Bid: **3<sup>rd</sup> Quarter 2009**  
 Project End: **3<sup>rd</sup> Quarter 2013**

The Bayou Duplantier Area Sewer Upgrades project includes upsizing of gravity sewer segments in the area of Perkins Road and Bayou Duplantier. These improvements are being made to alleviate upstream SSOs.

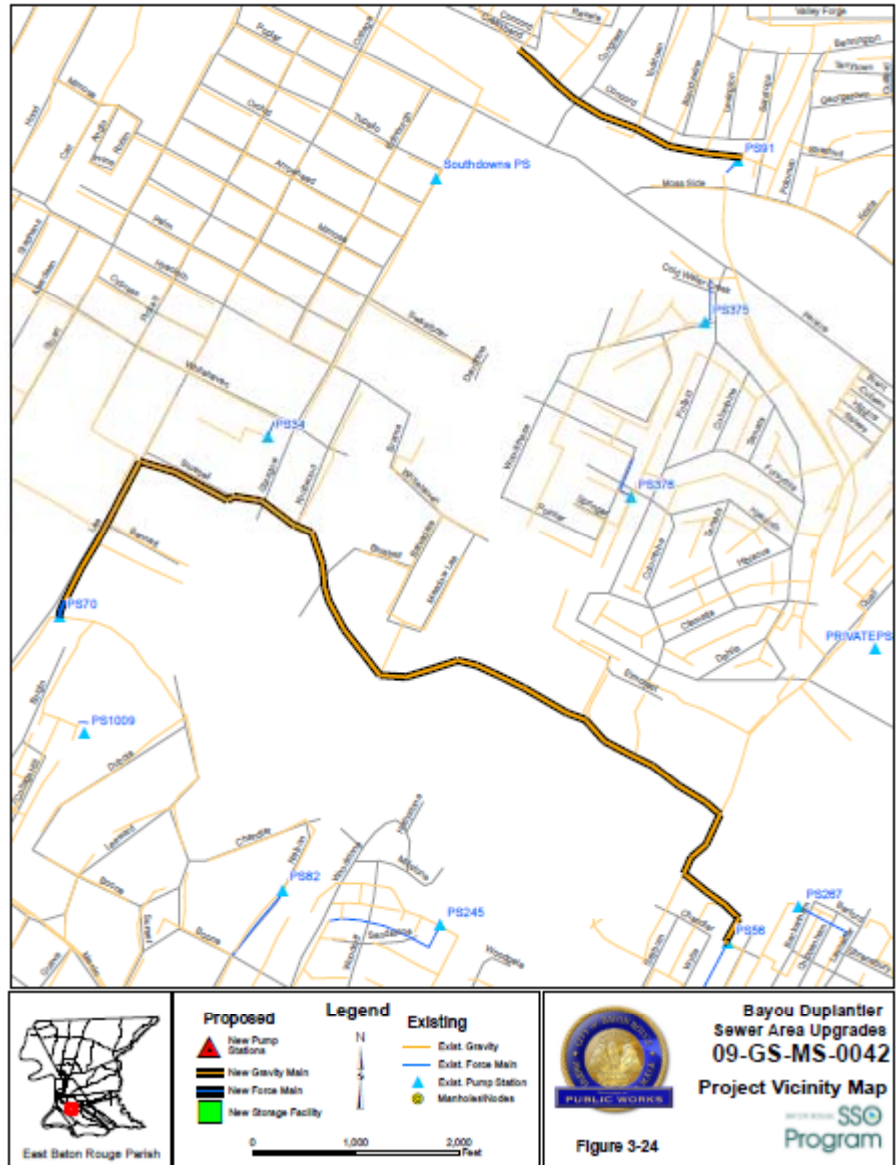

Collection system pipe sizes range from less than a foot to over three feet in diameter..

Flow measurements are taken throughout the collection system to determine the correct pipeline size

Approximately 970 linear feet of new 36-inch gravity main will be constructed in the project area.

## Bayou Duplantier Sewer Area Upgrades Project Facts
